

3RD MEETING OF EWG DAMS AND EARTHQUAKES

AN INTERNATIONAL SYMPOSIUM

Lisbon • LNEC • May 6-8, 2019

SPONSORSHIP GUIDE

INTRODUCTION

The National Laboratory for Civil Engineering (LNEC) has the pleasure of organizing the 3rd Meeting of the European Working Group on Dams and Earthquakes - EWG2019, from 6 to 8 May 2019, in its Congress Center.

The EWG2019 Organizing Committee invites sponsorship of this symposium from institutions with activities, products or services in areas relevant to the event.

The EWG2019 technical program covers all major scientific themes related with the seismic safety of dams, focusing on the latest experimental and numerical techniques available to assess the dynamic response of dams. The detailed program will be available soon at the symposium webpage: <http://ewg2019.lnec.pt>. International representatives from the university, the industry and government entities are expected to attend EWG2019, making it an exceptional forum for the exchange of knowledge and experiences. The Scientific Committee is composed of international leaders in these fields ensuring a high quality content. The attendees of EWG2019 will also have the privilege to assist to lectures presented by world experts sharing some of the latest scientific and technological advances in their fields.

REASONS TO BE A EWG2019 SPONSOR

The sponsor's name and logo will be widely disseminated through the EWG2019 promotional materials. These materials will reach a very large number of professionals in the fields of experimental and numerical modelling within the national and international technical and scientific community.

The names and logos of EWG2019 sponsors will appear in the following major media:

- EWG2019 website (<http://ewg2019.lnec.pt>), which will remain online after the symposium;
- Electronic publications and brochures;
- News and information to be disseminated;
- Professional and related magazines;
- Other promotional media used to publicize the event.

The participation of about 80 delegates is expected at this event and sponsors will also have the opportunity to participate in the Technical Exhibition where they can advertise and promote their products and services.
